

RAKETA

# What is Raketa?

Raketa is corporate online booking platform providing **the fastest** and **the easiest** way to arrange a business trip and get all necessary pre- & post trip documents

**More than 300 companies** have cut budget and travel arrangement time with Raketa.  
We'll make sure that **you will be one of them**

The screenshot displays the Raketa website interface. At the top left is the logo "РАКЕТА" with the tagline "центр управления поездками" and an illustration of a rocket. On the top right, there is a user profile for "Гришина Елена" with a "Выход" button, company information "Компания: ТОВ 'Онлайн4Бізнес'", the date "Сегодня: Понедельник, 11 ноя 2019", and language options for "Русский" and "English".

A navigation bar contains the following items: "Бронирование", "Компания", "Отчеты", "Мероприятия", "Заказы", "Корзина", "Помощь", and "Настройки". Below this bar, there are links for "Оформить командировку", "Отель", "Авиабилет", "Новое предложение", and "Offline услуга".

The main content area shows the current client as "ТОВ 'Онлайн4Бізнес'" and the traveler as "Гришина Елена".

The "АВИАБИЛЕТЫ" section includes a "Туда-обратно" button and tabs for "В одну сторону", "Два сегмента", and "Расписание".

The flight search form includes:

- Departure city: "IEV Киев, Украина" (with a swap icon) and arrival city: "RIX Рига, Латвия".
- Return flight: "Рига, Латвия" to "Киев, Украина".
- Flight dates: "14.01.2020" (departure) and "18.01.2020" (return), both with "Уточнить время" options.
- Passenger count: "1" (Adults).
- Class: "Эконом".
- Airline: "Авиакомпания".
- Stops: "Без пересадок" (checked).
- A "Найти" button.

At the bottom, there are links for "Тарифная сетка", "Фильтры", and a search icon.
